FROM OUR PASTOR

Greetings to each of you!

2020 has been a totally different kind of year. I am so thankful that we began this year with a focus of **HEALING 2020**. We are in the experience of a pandemic, we are dealing with economic crisis, political crisis, and racial tension. We have been reminded, that with humanity it is impossible, but with God all things are possible. The world is still damaged, broken, and stricken with many ills. Saints we must continue to believe in God's power and pray for HEALING in 2021.

As we prepare for our 2021 fast, as we have done before, begin to write down those things you are seeking from God. **21 Days With Holy Spirit** is our fasting topic. Listen, it was a challenge narrowing the scriptures for our time together for there is so much to study and discuss when talking about the third person of our Triune God. It is my hope, that these 21 days will cause a hunger in you to search for the presence of Holy Spirit. Holy Spirit is not an "it" or "thing". Holy Spirit is GOD. Father is God, Jesus is God, Holy Spirit is God. Jesus had to go back to the Father, but Jesus said, I am sending you Holy Spirit that comes from us. We are now in the time of Holy Spirit being with us. There is so much Holy Spirit desires for us to know, to experience, to understand, and to be. So, allow these 21 days to be all that Holy Spirit desires for you.

- Pastor Burns
